

Why should your child attend a YK1 school?

Advanced Placement/Gifted Programs

YK1 offers these programs to support the unique talents and abilities of students, and provide them with the opportunity to learn in an enriched environment. In the 2011-2012 school year, YK1's Gifted Program will be extended to students from Kindergarten to Grade 9. This year as well, École Sir John Franklin High School celebrates ten years of success in Advanced Placement programming for students seeking intensified instruction. Give your child an advantage for the future by allowing them to learn in a stimulating and challenging environment.
