

# Why should your child attend a YK1 school?

## Athletic Excellence

This program has been designed to engage students in healthy and physical lifestyles, and keep them active year round. It is made up of Hockey, Soccer, Speed Skating, Gymnastics, and Arctic Sports. These sports academies have produced exceptional teams and competitors, while building character and fostering a positive team spirit. YK1's Athletic Excellence program can give your child an advantage for the future by allowing them to develop their athletic skills while building new relationships and self-esteem.
