

Why should your child attend a YK1 school?

Instructional Coaches

The goal of Instructional Coaches is to support teachers and increase student achievement and success. Support is provided to assess, identify and respond to student needs. The coaches also employ instructional strategies, promote a collaborative work environment, and deepen professional knowledge... by promoting teacher professional learning and development. Instructional Coaches are key to giving your child an advantage for the future by allowing your child to learn in a collaborative and supportive environment.
