

Why should your child attend a YK1 school?

Fine Arts

YK1 is proud to offer all students an opportunity to let their creative side shine! Students in the Fine Arts programs are introduced to the many facets of music, choir and band, drama and theatre...and art. Their talents are showcased throughout the year at school and district-wide events. Students are encouraged throughout the year to pursue and hone their artistic talents!

From K-12, Mildred Hall to Sir John, the emphasis on the arts at YK1 was crucial to my development as an actor. I was lucky to have had teachers and mentors, like current Sir John Drama Department Head Landon Peters, who came to work everyday with a passion for the craft, a drive for excellence and a real-world understanding of the work-ethic required to succeed professionally as an actor. Without the tools and support this program provided I may never have realized: I can do it.
