

# Why should your child attend a YK1 school?

## Montessori

YK1 is proud to offer an educational environment that allows students to be independent and discover their surroundings by making their own choices. In a Montessori environment, students are encouraged to engage in social interaction and cooperation, while nurturing concentration and discipline, and cultivating their intellectual, emotional and physical well-being. Give your child an advantage for the future by allowing them to learn in a structured, yet independent, environment.
