

Why should your child attend a YK1 school?

Route 51 Learning Institute

Route 51 was designed to provide students ages 15 to 21 with an alternative learning environment to a regular high school setting. Route 51 offers Alberta Distance Learning courses in all academic courses, as well as the CTS courses and work experience. This program works best for self-motivated learners looking for a relaxed atmosphere and flexible schedule. Give your child an advantage for the future by allowing them to learn in an environment designed for their needs.
