

# Why should your child attend a YK1 school?

## Technology

YK1 is proud to offer students the most revolutionary and up to date technology available. Beginning in the 2011-2012 school year, all students will be able to access their school computer from home... via the virtual desktop. YK1 is also proud to introduce the Microsoft Certification Program. This program provides students with valuable resources, skills, and networking opportunities, leading students on the path to a fulfilling career. Give your child an advantage for the future by introducing them to the technology of the future.
